Together We Achieve

12th November, 2026

Dear Parents and Carers,

E-Library for Year 5 and Year 6

I am delighted to share that we have been granted another year's access to an eLibrary with the charity E libraries for Schools. Children in Year 5 were provided with login details earlier this week. Year 6 should continue to use the logins they were given in Year 5.

This initiative provides pupils with access to high-quality texts and learning resources, completely free – an opportunity that is usually paid for. The texts (a mixture of fiction and non-fiction) have been largely selected based on the recommended reads from the Centre for Literacy in Primary Education and Booktrust.

Key Features of the eLibrary:

- Pupils can access the eLibrary at home and in school using the login provided last week.
- Accounts are automatically synced across devices, so children can continue reading their texts at both home and school.
- Each item can be loaned for two weeks, giving pupils plenty of time to enjoy their reading.
- Pupils will also be allocated time in school to explore and use the eLibrary.

I kindly ask you to encourage your child to read at home and make the most of this fantastic resource. If pupils need any help with using the eLibrary, they should speak to their teacher.

To access the eLibrary, please visit https://soraapp.com/home and log in with your child's login.

Thank you for your continued support in fostering a love of reading.

Yours sincerely,
Mrs Kanval

English Lead
