RE: Year 6 Geography Fieldwork

Dear Parents,

Year 6 will be conducting a Geography & Maths fieldwork visit to **Bordars Road/Greenford Avenue**, Hanwell on **Monday 20th March, 2023** to gather local opinion about the changes on Copley Close. During the fieldwork, the children will be asking local people their opinion using surveys they have created themselves. Back in school, they will analyse the data and use their knowledge of statistics to represent the information.

We will be leaving school at **1.15pm** and walking to the venue. The fieldwork should take **no longer than one hour** to conduct.

On the day of the fieldwork, please ensure your child is dressed in the correct school uniform and has an **appropriate coat or jacket**. If your child is not dressed in the correct school uniform, they may not be able to attend the visit.

Due to the nature of the fieldwork, parents/carers are needed in order for the experience to be a success. Ideally, the children will be placed in smaller groups than usual for a visit. **Please let me know if you wish to join us by completing the google form [here](#) or by emailing year6@woodlands.ealing.sch.uk no later than Friday 17th March, 2023.**

Yours sincerely,

Mrs Kanval
