**RE: Year 2 dress up day**

Dear Parents and Carers,

Last week, we enjoyed a very successful World Book Day on Friday. Unfortunately, at the same time, one of our Year 2 pupils was in hospital, where she had spent the whole week.

She was understandably very sad to miss out on World Book Day and it was agreed by myself and Ms Chatrath, that when she returned to school, she would get the opportunity to dress up in the costume she had prepared.

As a result, this Friday (10th March) we are inviting Year 2 to come to school either in their World Book Day costume or in their own clothes. They will be the only class dressing up, to support their classmate following her hospital stay. We are very glad she is better and able to attend school and look forward to seeing them in their own clothes or costumes on Friday.

Yours sincerely

Ms Hasker

Headteacher
