Dear Parents/ Carers,

RE: Year 5 class teacher- Mrs Dharsani

I am writing to inform you that Mrs Dharsani has decided to return to Woodlands slightly earlier than planned and will be back in school from Wednesday 29th March (next week). Ms Rai will remain working with the class until the end of term but will not return to Woodlands after the Easter holidays.

I would like to take this opportunity to thank Ms Rai for the fantastic work she has done in her six weeks with Year 5. She has been a great addition to the team and has built fantastic relationships with pupils and staff.

We are very excited to welcome Mrs Dharsani back to Woodlands full time. She will spend her first few days working alongside Ms Rai, planning for next term and getting to know the class.

Year 5 have impressed us this year with their welcoming and positive attitudes to the different teachers they have worked with and we expect that this will continue with Mrs Dharsani.

As always, we appreciate your understanding and support at this time.

Yours sincerely

Ms Hasker
