Together We Achieve

Tuesday 3<sup>rd</sup> October 2017

Dear Parent/Carer,

**RE: Maths Week**

Monday 9<sup>th</sup> October sees the start of our whole school 'Maths Week'. During the week the children will be taking part in lots of fun and practical activities that will provide them with new and exciting experiences as well as support them in developing key skills and mathematical thinking.

To help your child with Maths, we will be hosting a Maths Workshop on **Monday 9<sup>th</sup> October at 9am**. We will explain the different strategies used in class for different abilities and age groups. The workshop is an ideal opportunity for you to ask questions and talk to staff about how to help your child in Maths. Some of the resources that we use will also be available for you to look at and try. We hope you will be able to attend this meeting and find out how you can help your child at home.

For Maths Week, each class will spend time learning about Maths through Art. They will use their Maths skills as inspiration to create their own final pieces of art which link to Maths. You are invited to see your child's final piece, and will also have an opportunity to pop into their class and help them with a fun maths activity. Please join us for this **on Friday 13<sup>th</sup> October at 14:30pm**.

If you are able to attend either event, please complete the slip below and return to your child's class teacher before Friday 6<sup>th</sup> October 2017.

We look forward to seeing you there.

Yours faithfully,

Mrs McMillan  
Maths Lead
