The Walking Bus is here so jump on board!

Re: Walking Bus

Dear Parents / Carers,

The walking bus will be starting from tomorrow morning (Thursday 9th November 2017). If you have to cross the bridge to get to school and are having problems bringing your children over, do not worry. A member of staff will be waiting over the other side of the bridge **from 8.40am every morning**. They will then be taken over the bridge and met at the school gate by another staff member.

We hope this support will help in making your journey to school run smoothly every morning.

If you would also like support with after school, please come and speak to the School Office.

Yours faithfully,

Ms H. Rana
Headteacher
