Newsletter 1

Dear Parents,

Welcome to the Autumn term. The children have returned from the summer break refreshed and full of energy. It was lovely to see you all on the first day and I am very proud of how smart the children looked in their uniforms. Thank you for your support.

We have lots going on this term, with many **exciting trips, events and special days**. Dates and details will follow, please keep a note of the dates when you receive them. We are updating the **calendar on the school website** so please keep checking.

In order to ensure the children know how to keep themselves safe from potential dangers we will have a visit from the **NSPCC**. We will also continue to focus on **all aspects of safeguarding** throughout the year.

Our **Arts Festival** was such a success and the children learnt so much from the experience that we will be celebrating a theme every half term, starting with **maths this half term**.

I would like to welcome Miss Hasker to the team. She joins us as **Assistant Headteacher for Inclusion**. You will have an opportunity to say hello to Miss Hasker on the playground everyday.

From Monday all KS2 children will go straight into their classes at **8:45am**. Their teachers set Early Moring Work for them to get them off to a flying start every day.

I will be publishing fortnightly **Attendance** figures with this newsletter. It is vital that your child is at school **EVERY DAY and ON TIME**. Please ensure your children are on time and in school every day so that they don't miss out on their learning.

To save trees, our next newsletter will be published on our website only. Some paper copies will be printed and made available upon request. We are also going **paperless** with our letters, they will be emailed to parents. Please make sure we have your **current email address**.

We are all looking forward to a successful year ahead!

Yours sincerely

Harinder Rana
Headteacher
