

# Welcome to Year 5!

I am **so pleased** to be teaching Year 5 again and that **you** will be in my class! It is a **fantastic year**, there are so many **interesting things** to learn - I love it! The **challenge will increase** for everyone but we will still have **lots of fun and additional experiences** ('new normal' permitting) to help our understanding of the topics we are learning in all subjects.

We will work **very hard** during the next school year but I know that you have the **resilience** and **determination** to do this.

Now that you are in **Upper Key Stage 2**, the rest of the school will be looking to you as a **role model**, so it is very important that we are always setting the **very best example** wherever we are - in class, on the playground, walking around school or in assembly. Again, I know that this will be an easy task for you.

I'm looking forward to our Year 5 journey together.  
See you in September!

Mrs Kanval
