Dear Parents/Carers,

RE: Antbullying Week

Woodlands Academy will be celebrating Antbullying week on the week beginning 16th November by taking part in many activities on this year's theme 'United against bullying'.

We will start off Antbullying week with a **film launch** afternoon on Monday 16th November with classes watching a film linked to the theme of respect and antibullying. They will discuss the film and doing follow up activities based on antibullying themes from the film.

If you do not give consent for your child to watch the film, please inform the office by Monday.
