

02/11/2020

Dear Parents/Carers,

Welcome back

We hope you have had a good break at half term and your children will be looking forward to getting back to their class with their school friends to continue their learning in the next half term.

We realise that the Government announcement of a lockdown from Thursday 5th November could have a major impact on you and your family and we want to assure you that we will be following all the guidelines for dealing with the Covid pandemic in primary schools and staying open to all pupils at this stage. We will keep you updated on any changes to government guidance in the coming weeks.

We have heard that Ms Rana is starting to recover and she hopes to be back in school as soon as she is well enough to do so. In the meantime, Mrs Magan and Ms Hasker will lead the school as Co-Heads and together with the whole school team, they will continue to provide every opportunity for your children to learn and flourish in our school community.

Please do not hesitate to contact the school via the class e mail or through the school office via office@woodlands.ealing.sch.uk to let us know of any changes to your family circumstances during this period of uncertainty. A member of the team will get back to you.

We look forward to welcoming all our pupils into school each day and hope that you will support them in their learning by following the procedures we have put in place for the start and end of the school day to keep everyone safe.

Yours sincerely

Shirley Kenworthy-Wright
Chair of Governors, on behalf of the Governing Board of Woodlands Academy
