

Transition to secondary school: webinar for parents/carers

Ealing Mental Health Support Team

The transition to secondary school can be a worrying time for Year 6s and their parents/carers. We are **delivering workshops for parents/carers of Year 6 students in primary school** to give you some ideas of **how you can support your child to manage the transition to secondary school**. We will also be talking about how you can manage your own emotions about your child moving to secondary school. We will talk specifically about this transition for children with special educational needs and disabilities (SEND) at the end of the presentation.

We will be presenting this workshop on **three different dates**:
