

Listening to children read

Parent Guide

Listening to children read

We encourage daily reading at home of **approximately 10-20 minutes**. This will help to improve their confidence with fluency and comprehension.

Depending on the child, this time should be a **combination of listening to your child read aloud and then a discussion about what they have read using some of the questions** contained in this booklet (see pages 5 and 6).

For those children who find reading a challenge, you could also take it in turns to read the text aloud.

The conversation between you and your child when listening to them read is as important as encouraging them to read fluently.

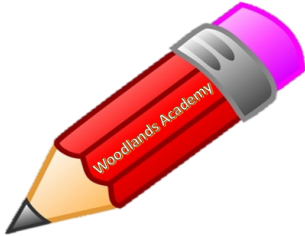

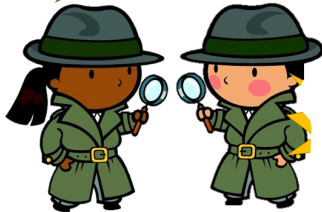

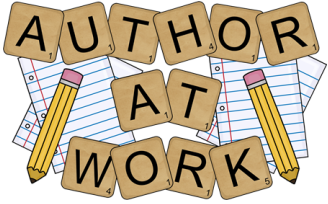

The questions contained in this booklet will encourage dialogue between you and your child which will benefit their understanding of the text and inference skills.

The booklet also has ideas for strategies **children can try when they are struggling to decode new words (see page 4). Children need to have the opportunity to have a go at decoding new or tricky words using some of these strategies. At the same time, don't let them struggle unnecessarily.**

You can help them by modelling the strategies, for example, how to sound the word out or use clues from the page or text.

Listening to children read

At Woodlands Academy, we follow a Reading structure to teach children the reading domains and practice using them in KS1 and KS2. Here are our reading domains.

 <p>I am a word wizard I know and can explain what individual words in the text mean.</p>	 <p>I am a retriever I can find the main facts and features in a text and write them down.</p>	 <p>I am a summariser I can find only the most important information in the text.</p>	 <p>I am a detective I can work things out based on clues in the text.</p>
 <p>I am a fortune teller I can use information from the text to predict what will happen next. I predict by retrieving and inferring.</p>	 <p>I am an explainer I can explain why language and structural choices are made. (KS2 only)</p>	 <p>I am a reader I think about the information in the text and find similarities and differences. (KS2 only)</p>	 <p>I am an author I understand and can explain the meaning of words which have been put together to make phrases, sentences and paragraphs. (KS2 only)</p>

Reading Strategies

When I am reading something I can use the following things to help me:

I use the pictures to help me.

"C-A-R-P-E-T"

"CAR - PET"

"CARPET"

I sound out/blend words I don't know.

"tEACHer"

I look for smaller words inside words.

"en - joy - able"

"Enjoyable"

I can break words down into syllables.

I check that I am right by going back to look at words carefully.

I can tell when I've made a mistake and go back to try and put it right.

I ask questions to help me with my reading if I don't understand.

I talk through my ideas, thoughts and feelings about what I'm reading.

I use punctuation to help me make sense of what I am reading.

? ! " ... " , .

I go back and read a word or sentence again if I don't understand it.

I read on to see if I can work out the meaning of a word I don't know

I listen to what I am reading to see if it makes sense.
