

Dear Parents/Carers,

As part of our learning during Science week, we will be holding a scarecrow competition. Please support your child at home to make their own scarecrow using junk and old clothing. There will be prizes for the winners!

Scarecrow Competition

Rules

1. Scarecrow must be homemade by you (parents can help!)
2. Use only recycled materials
3. Can be any size - as long as you can carry it!
4. Entries to be brought to school by Wednesday 23rd March

Prizes for the winners!

Get creative!
