

Summer Term 2022

[@woodlandsschoolealing](#) [@WoodlandsW13](#)

Year 5

Brain Buddies!

This term, year 5 were lucky enough to have a series of well being and emotional resilience workshops led by Sakile Ferrier (Educational Wellbeing Practitioner). They learnt different ways of controlling their emotions as well as using the Zones of regulation to describe how they are feeling.

Getting Match fit

Year 5 also took part in sessions led by Mr Horsman which built up their ability to work together. They all PASSED!

GEOGRAPHY/MATHS WEEK

Year 5 part took in the Geography/Maths week this summer. We went on a field trip around our local area and observed how green our area is.

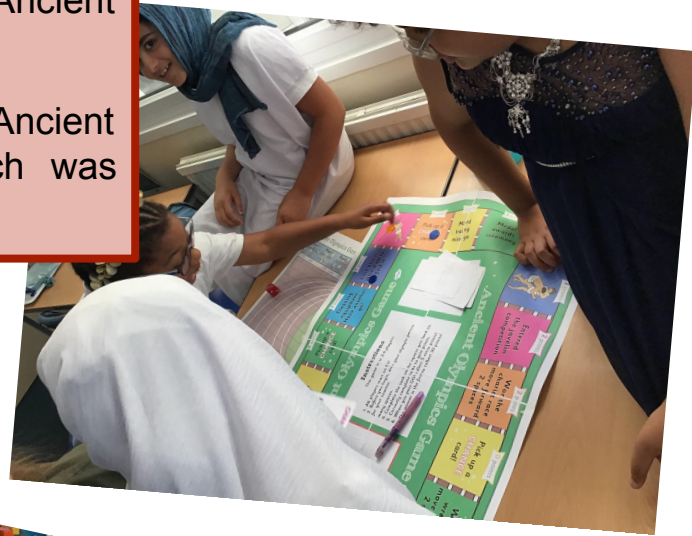

Year 5 *continued...*

Fantastic Finish: Ancient Greek Day!

To celebrate our learning on Ancient Greece this term, we ended our topic with an Ancient Greek day. The children were very creative and dressed up as Ancient Greeks.

We also part took in Ancient Olympic sports which was **VERY FUN!**

Year 6

As you will see, we have had an amazing last term at Woodlands...

In May, Y6 sparkled during **SATs week**. We started each morning with a special Y6 Breakfast Club before showing off our knowledge!

Following the SATS, we visited **Pizza Express** in Ealing. We were reminded of the importance of food hygiene and learnt about some of the ingredients on our favourite pizzas before making - and eating - our own pizzas. In school, we used the visit as a writing stimulus.

We received basic **First Aid training** from the British Red Cross.

Year 6 *continued...*

In June, we camped in the **New Forest** for our **Y6 residential**. We had lots of fun and although we didn't particularly enjoy sleeping with bugs, we did make lots of lasting memories. **Thank you** to **Ms Moxom** and **Mr Grant** for accompanying us!

Day 1; Canoeing

Year 6 *continued...*

Day 2: Archery

Bushcraft

Year 6 *continued...*

Ropes

Toasting Marshmallows on our campfire started by Mr Grant

Year 6 *continued...*

Day 3: Battlezone

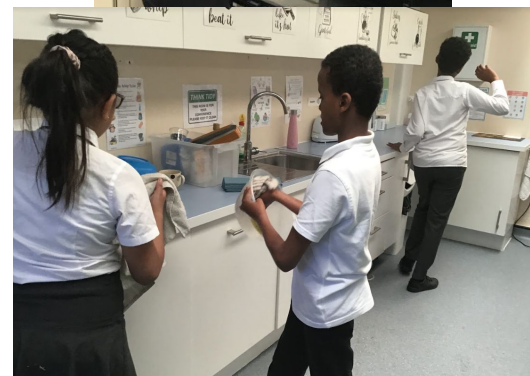

Girls

Boys

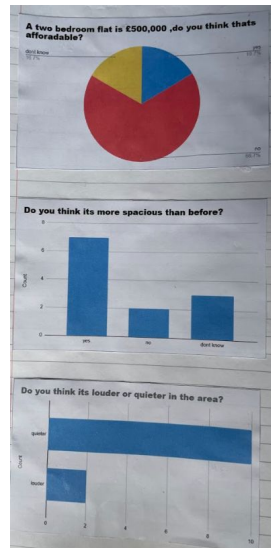

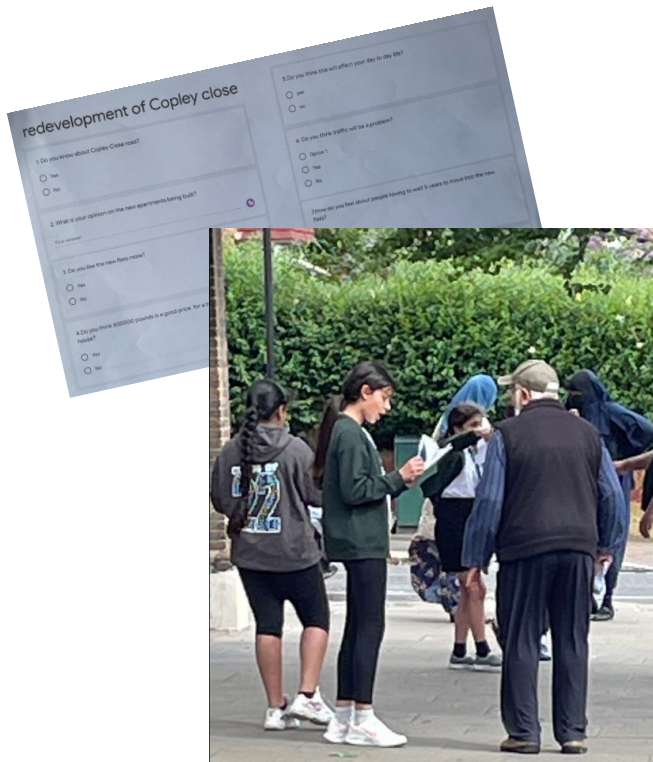

Those amazing Nightingales who stayed at school had fun in the kitchen baking lots of treats with Ms Mascall. They were also **amazing role models** helping around school.

Year 6 *continued...*

Geography Fieldwork/Maths Week in June took us to Greenford Avenue where we asked local people what they thought of the redevelopment of Copley Close. For a detailed breakdown of what we did during the week, please see the Fieldwork Week page later in the newsletter.

Gender & Age

The majority of the demographic were younger females, which indicates that women were more willing to spare some time to answer questions. Or it may also show that females have better time management than most males.

Many of the respondents were in the range of 18-30 years old. This is rather predictable as the ones 18 and under were most likely going to school and the older respondents were perhaps going to work.

1) Do you know where Copley Close is?

Whilst interviewing 3% of the respondents were ~~un~~aware of the location of Copley Close (3 people), and 5% knew where it is (15 people). This suggests that the residents of Greenford Avenue were familiar on the whereabouts of Copley, which may also indicate they visit ~~there~~ frequently.

2) Do you think it was a good idea to refurbish Copley Close?

As this survey was about the refurbishment, this was a very significant question: 16% thought it was a bad viewpoint, while 84% were pleased with the decision. I interpret this as a sign of a successful project and the consequences will lead to great social and economical benefits.

Young Readers' Programme - Event 3

In the same week, we travelled to Ealing Broadway with Years 1 and 2 for the final event of this year's programme organised by the National Literacy Trust. We chose our final book, played archery in Decathlon, had a library talk and were entertained by fantastic storyteller, Alim Kamara. Thank you British Land and the National Literacy Trust for allowing us to be part of this great experience!

July - Y6 Careers Day Ms Hasker organised a really interesting day. We heard from lots of people who had very different careers. **Thank you** to all of the volunteers who gave up their time to share their experiences with us.

TFL - Safety Talk. During our final week in Year 6, we received lots of helpful advice and tips for keeping safe as we become more independent travellers.

Year 6 *continued...*

A-la-la-la-laladdin

Thank You to **Mr Jones** for helping us with the songs and for being a technical genius - we loved the smoke machine!

Thank You **Ms Macall** for creating our amazing props and helping with the costumes.

We couldn't have done it without you both!

A huge **Thank You** to all of our parents and carers who have volunteered on our visits this year.

Year 6 continued...

Thank You, Woodlands...

Thank you for the memories, everyone has been so kind. I have made lots of friends along the way. It has been a fun experience. Thanks for teaching me - Amolika

Thank you for the experience in KS2 - Simarleen

Thank you for the memories. Best school ever! - Justin

Thank you for the memories! - Gaia

Thank you for everything - Tala

Thank you for helping me. I had a good time - Ayman

Thank you for all the memories that we made in this school. I've made lots of friends and best friends here. I'm really going to miss this school. Thank you everyone for everything - Kyra

Thank you for teaching me for the past 2 years and the memories that I have. You've really made me happy about everything! - Adam

Thank you for teaching me all these years. I've had a great time at Woodlands ever since I joined - Isla

Thank you for everything you've done for me the past 8 years I've been here - Maya

Thank you for everything. In 7 years, you helped me be the best I can. Thank you for making me smile every day - Nikolas

Thank you for helping me the past 3 years and making me smarter and better at different subjects - Roland

Thank you for the seven years of amazing memories - Iqra

Thank you for the 4 years I've been here. Thank you for PGL, fieldwork and much more. Thank you for all of the memories. I had an amazing experience at Woodlands - Paris

Thank you for everything you have done for me. You've made me ready for high school, and I wish you the best - Yali

Thank you for everything. I had an amazing experience at Woodlands - Shan

Thank you Woodlands for the best 2 years of my school time - Bethany

My learning experience here has been wonderful and I will never forget the amazing memories. Thank you Woodlands! - Fatima

Thank you I have enjoyed the 6 years I have been here - Enxhi

Thank you for bring me from Y5 to Y6. You are the best teacher ever! - Elias

Thank you for being the best school someone could be in. You've put a smile on my face and my journey was very entertaining - Mohammed

Thank you for helping me grow as an individual, emotionally and academically for the past 7 years - Abdi

I've had a fantastic time here at Woodlands. Thank you to the teachers for making Woodlands an amazing experience - Courtney

Thank you Woodlands for 7 1/2 years - Aiden

Woodlands has been a fun experience and I have learnt a lot. Woodlands helped me achieve my goal. The staff are kind and very caring. I made many friends along the way - Yusuf

Messages from Staff

Year 6 *continued...*

Dear Year 6!

Wow, what can I say about such a special year group. I had the pleasure of teaching you in Year 3 and you have all grown into such amazing young people. I feel very proud of you as a class. You have shown so much resilience and worked fantastically as a team. I know you will go on to achieve great things. Always stay positive and look after yourselves and be kind to others.

Miss Moxom

Dear Year 6,

You have worked incredibly hard this year and have been fantastic role models for the rest of the school. I hope you all have a wonderful, well deserved summer holiday.

Good luck for the future, you will all be great!

Miss Barry

Dear Year 6,

It has been pleasure sharing your primary school story with you. I have watched you all grow into thoughtful, intelligent children. Keep smiling and always shine like the stars you are.

Take care and good luck in all you do.

Mrs Gostellow

Dear Year 6!

I am very proud of everything you have achieved this year! You have worked very hard and should also be proud of yourselves.

I have had the privilege of seeing your end of year production, which I extremely enjoyed! I can already see that your class is very talented. Keep up the good work and I wish you all the best of luck!

Miss Dykas

Dear year 6!

I have really enjoyed teaching you for PE this year. My highlight of the year was taking you on the residential and seeing you active all your goals. Good luck in high school.

Mr Grant

To my amazing Nightingales, I consider myself to be incredibly lucky to have taught you for the last 2 years. I have been astounded every day by your 'can do' attitude and willingness to rise to the challenges set, always supporting one another and always smiling.

You have worked hard, particularly this year, and set the standard for future Y6 classes but more importantly, I hope that when you reflect on your time at Woodlands, you do so with fondness and a smile - I know I will.

Keep Sparkling!

Mrs Kanval

Dear Year 6,

I have really enjoyed teaching you during your time at school and it has been a privilege to watch as you have all grown and blossomed. You should be really proud of all the hard work and of your achievements. I know you will all go on to do wonderful things. Good luck for the future.

Ms Ashley.

Dear Year 6

I have enjoyed getting to know you all

You all are very well liked

Good luck in high school and for the future

Will miss you all

Mrs ward

Congratulations Year 6 on reaching the end of Primary school with such an array of successes! You are a group that has set an incredible example of what it means to work together and support one another. I have really enjoyed working with you in music and your production of Al-la-la-laddin was a highlight of my year! I see a group of many different talents in all sorts of areas - definitely some musicians and actors! - so I look forward to seeing what you go on to achieve next. All the very best and my biggest advice is to make the most of every opportunity that is given to you in high school!

Mr Jones

Dear Year 6,

It has been a joy and a privilege to have shared your journey through primary school, some of you since you arrived in EYFS! You are a credit to the school and I know you are going to continue to make us proud whatever you decide to do in life. Good luck and enjoy a well deserved summer break!

Mrs Sherborne

Dear Year 6,

I have loved getting to know you all and seeing you grow into such a wonderful group of confident young people. Despite the challenges of the last 2 years, you have achieved great things and we are so proud of you!

Stay positive in High School and take every opportunity you are given. I can't wait to see what you do with your talents, skills and intelligence!

Good luck and make sure you visit!

Ms Hasker

Year 6

It has been a pleasure to work with you all. Always stay focused, try your best and be you. Mrs Kanval has taught you the skills needed to achieve your goals, use them. I will miss you all so please come and visit.
Ms Mascall

Dear year 6

Wishing you all the very best for the future. It's been great working with you all throughout the years. Please all come back and visit.

We will miss each and every one of you.

Miss O'Dea

Miss Helen

Miss Campbell

Continue to show our 4 school values throughout your life.

RESPECT

TOLERANCE

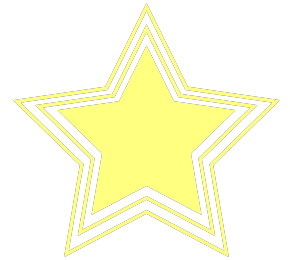

**SELF
BELIEF**

DETERMINATION

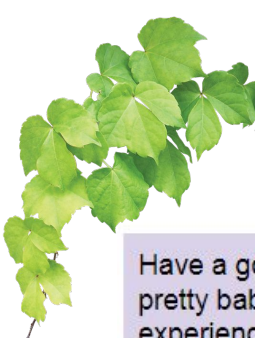

Goodbye and Good Luck

Goodbye to Mrs Magan

Everyone at Woodlands is very sad to see Mrs Magan leave. She has been with us for nearly 7 years and since joining Woodlands she has had a huge impact on pupils, staff and our parent community. Mrs Magan was an inspirational headteacher and she helped to raise standards in the school. She was passionate about digital resilience for our pupils. Over the last few years children have increased their digital skills. Here is just one example of this, with children collaborating on Google slides to create Thank you messages. Mrs Magan we will miss you so much and wish you all the luck with your beautiful baby girl. Come and visit us again soon!

Messages from Year 2...

Have a good time with your pretty baby I hope you a cool experience i wish you a happy life good bye;D from mely

Thanks for being a very kind headteacher. Goodbye! From:Lily

By miss magan I'll miss you. Mya

Hope you have a lovely summer holiday-Judah.

I wish you a happy life with your lovely baby Lorenzo

By Nasreen

Hi Miss Magan you was the bestttttttttt teacher ever I love you so much

Ashvika : Miss Magan I hope you enjoy your time with your family a even though you have been the best teacher ever.

Hi Mrs Magan you were the best head teacher ever!
By Victoria

Thank you for helping Woodlands and I really thank you for this. Also I hope your baby gets a lot of care and you spend a lot of time with your baby. See you later.
By Aryan

Good luck
By Amir

Messages from Year 6...

You have been an amazing teacher, thanks for all of the help you have given us.
Best Wishes - Fatima

I'll miss you,bye and have a great time with your baby
-Abdirahman

Good luck!-Justin

Goodbye and have a good rest of your life.
Good luck! -Shreya

Goodbye have fun with your baby -Bethany

Good luck-Roland

I hope you have an amazing time with your daughter,watching her grow like you watched us.-Yali

Have a great time I wish you the best of luck with your child

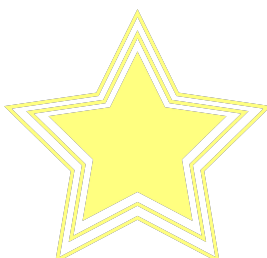

Good luck and have the best time with your daughter - Enxhi

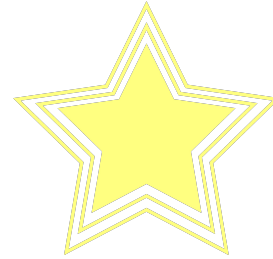

Goodbye and have a great time with your daughter- Maya

Goodbye and wish loads of good luck for you and your baby.

Goodbye and have a wonderful time with your daughter. You was an amazing headteacher.

You have been a really helpful and kind headteacher.I hope you have a good life-Mohammed

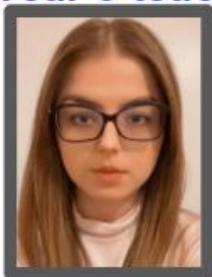

Goodbye to Mrs Niroshan
Our Reception teacher

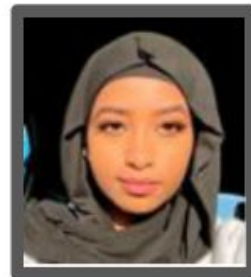

Thank you to all three of these teachers who will sadly be leaving us this term and moving to new schools. Thank you for supporting our pupils. We wish you the best of luck and we know you will continue to inspire children with your teaching.

Goodbye to Ms Dykas
Our Year 3 teacher

Goodbye to Ms Abubakar
Our Year 5 teacher

**THANK
YOU**

Celebration News

Class Dojo winners

Each class are using Class Dojo to encourage and reward great learning and behaviour.

Congratulations to these children for earning the most dojos in their class for the half term.

Prize from the reward store!

Times Tables Rockstars (TTRS) winners

Congratulations to these children for earning the most coins in Spring term. When children get multiplication and division questions correct, they earn coins which they can use to customise their outfits and buy accessories.

Best Performance on TTRS

Summer 1

Best Performance on TTRS

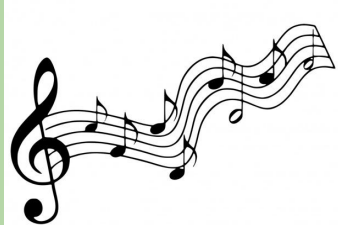

Summer 2

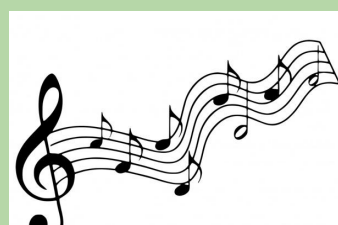

Rainbow Writers

These children have improved their writing this term. Well done!

Music News

We have had a fantastically musical
Summer Term at Woodlands!

From classes writing their own songs about
the gruesome Vikings and Egyptians, to the
Year 6 production of Aladdin, children have
been putting all of their musical skills in
action with some brilliant results! Some of
these can be seen in the pictures above!

A special note to mention those who have
been learning an instrument this year -
well done! It's not easy to balance time
between homework, relaxing and
practice, but I have been so impressed
with your perseverance and what you
have learned!

Well done Adrian, Maya, Tommaso,
Darren, Alexandra, Bethany, Adam,
Aiden, Fatima and Justin and those
in Year 5 who have been working
hard on their Jsax playing!

Sports News

Girls Euro's Football Tournament

The girls football team have been practicing hard all year and performed outstandingly at the Girls Euro's Football tournament held at London Tigers. The girls got through to the quarter finals playing as Italy!

Getting Match Fit

London Broncos ran a 6 week programme with Year 5 & 6 to help with talking about emotions, role models and how to be a team leader. They were then able to have an elite performance lesson run by professional sports players from London Broncos. All children passed and received certificates and a prize!

The winners for this year were... **TOLERANCE!**

There was an excellent display from children and parents at our Woodlands Sports Day 2022. Considering the heat wave the children managed to excel in all sporting events!

Queen's Platinum Jubilee

On Friday 27th May, we celebrated the Queen's Platinum Jubilee in school. We had a special lunch and dressed in the colours of the United Kingdom flag- Red, Blue and White. We had a special celebration assembly with a quiz about Queen Elizabeth II's 70 year reign.

Fun facts about the Queen:

- The Queen's favourite dog breed is The Corgi
- The Queen has 4 dogs
- The Queen's official birthday is in April; she has 2 birthdays!
- The Queen is 96 years old.
- She supports Arsenal FC football team
- She is the longest reigning Monarch in Britain. The second longest reigning was Queen Victoria..

Fieldwork Week

Year 2

Year 1

Year 1 drew a map of the school and marked it with our favourite space in school. We then did a survey of all the children in school to find out where everyone's favourite space in school is. We used the information to make pictograms. We then answered questions about the data. We found the most popular place in school was the playground followed by the library.

We conducted a survey on how we could improve our playtimes. We asked Year 1 to 6 which was their preferred option for improving play times (swings, outdoor vegetable garden, pond, swings or an outdoor reading or games hut). We tried to explain the option had to be good for our environment. The most popular option was swings. However it is not a sustainable option, so we may need to reconsider how to improve playtimes, again. next year.

Year 4

Year 3

Year 3 walked to Scotch Common and conducted a traffic survey. We were recording the types of vehicles we saw at 9 o'clock and then at 10 o'clock using a tally chart.

We presented our data on a bar graph. Then we compared and analysed the difference of vehicle types at different times of the day.

Year 4 walked to Pitshanger Park to take a look at River Brent and the trees in the park. We did an investigation to see how fast the river was flowing at the straight part and at the meander. We threw an apple into the river and timed how long it took to get to the start of the meander. We then timed how long the apple took to get to the end of the meander. We then put all of our findings onto a line graph and found that the apple was flowing faster at the meander. Whilst one group were doing this, the other group was measuring the width of the trees in the park to see if their position in the park makes a difference to the growth of the tree.

Year 5

Year 5 walked to Pitshanger Park and compared the amount of litter there to the litter seen in the area outside of our school.

They discovered that there was a lot more litter in the streets and there were not many bins available. In the park, there were some bins that were overflowing with rubbish. Also, many owners walk their dogs in the park but there are not special bins for to dispose of dog mess.

Year 6

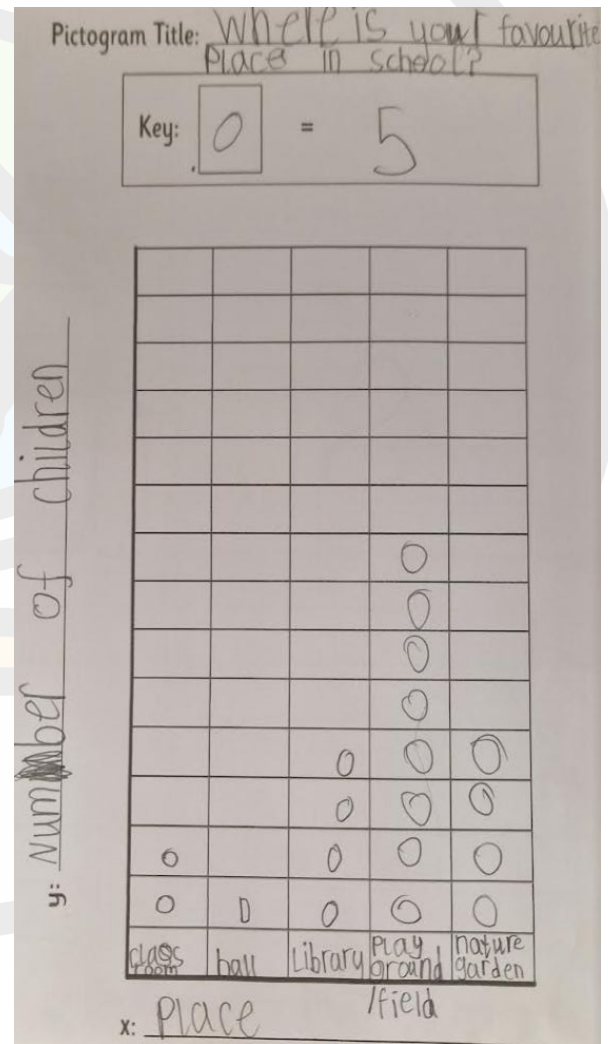

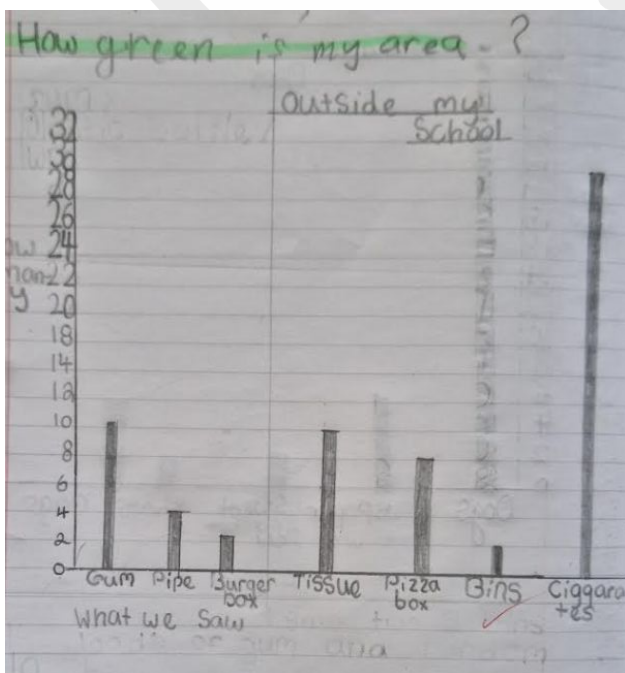

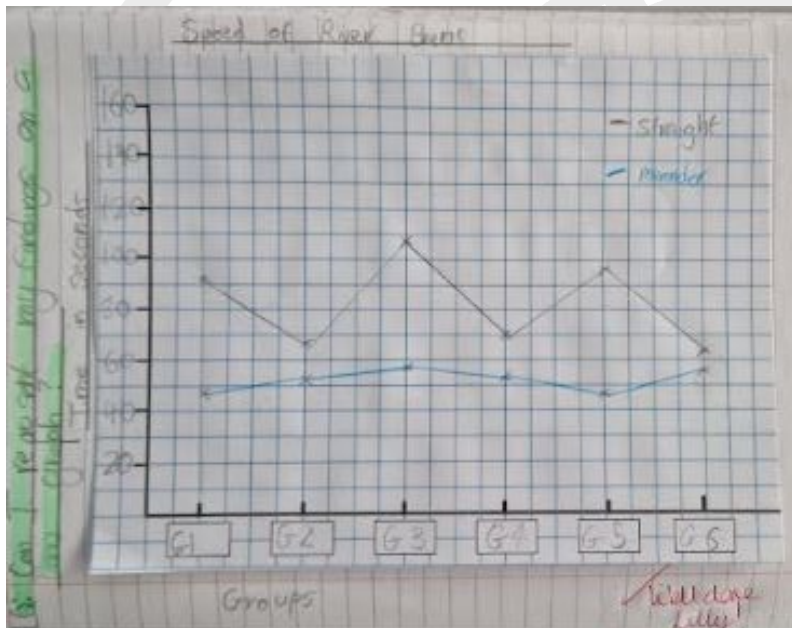

To find out local opinion of the redevelopment of Copley Close, Y6 independently:

- * researched the changes
- *wrote their own questions to create surveys
- *asked the public on Greenford Avenue
- *used the data to create charts and graphs
- *created written reports interpreting and analysing the data

See Y6 pages for samples of our work!

Fieldwork Week

This year we planned a fieldwork week where we explored our local area. Here is some of our work. We applied our Maths skills to present the data using measuring skills and conducting survey..

How Green is our Area?

Parent News

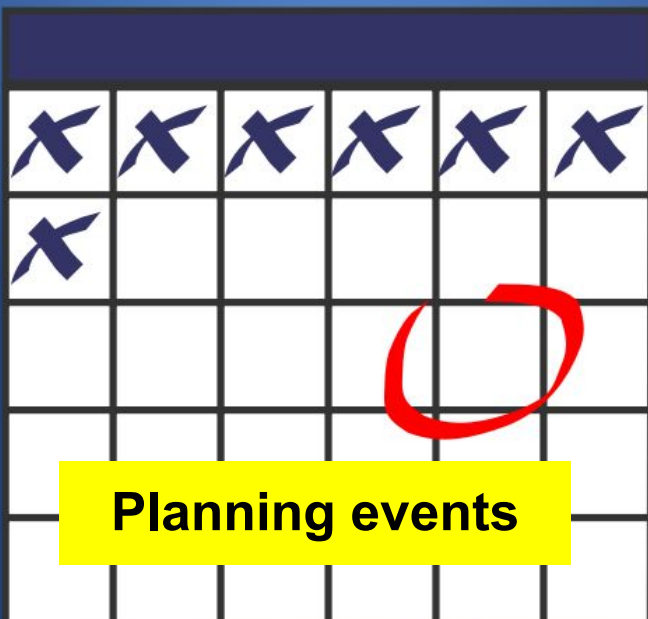

Thank you to all of the parents for your ongoing support this year. We are pleased that our Coffee Mornings were able to resume in the Summer term and that we could hold workshops face to face. We hope to see more parents attending the workshops in September.

We want to say thank you to parents who have volunteered their time to listen to pupils read in school. This is so valuable and was so lovely to have parents back in school face to face.

**Volunteering to
listen to children
read**

Planning events

Parents have started to think about events they want for next year in our school calendar. Please take a look at the website for our school calendar so that you can save the dates for special whole school events.

Parent News

continued...

Creative English has let me learn new words and also improved my english. Also the teachers ,make it fun and interesting. It has also boosted my confidence.
LOVE YOU ALL.

Creative English course helped me get free in speaking English. The creative teachers are so open and kind to help me to express my thoughts. The atmosphere was very friendly. I had a lot of laughs and fun during this course. I will miss all of you and want the invitation for the next course.

Creative English Course

Two of our parents Ms Luke and Mrs Jones have been running a creative English course with some of our parents. This has been very positive in helping our parents develop their English skills.

It was amazing- we have a really good time- this course helped me alot in adapting and grow my ability to get to know the society and how people think in different contexts. E.g what i should say and what I shouldn't. Also it helped me knowing my rights. I am thankful and happy that I've met superb ladies.

Congratulations to our graduates of the course...

We met the best teachers ever!

I had a great time at Creative English course! It has been useful as we experienced different situations, improving our understanding of the language and our vocabulary to express ourselves. Moreover, the best part has been the friendly, ever familiar environments where I felt comfortable and embraced. My english improved a lot.

or on the sign up sheet in the office foyer

You have all shown great determination and commitment to the fitness training. Keep up the hard work! We will see you back for more fitness classes in September.

Joe Wicks documentary

This year we continue to work with Our Time, the charity supporting parental mental health. Woodlands featured in the [BBC documentary Joe Wicks: Facing My Childhood](#) on Monday 16th May 2022. This is available to watch on iplayer and our scene is at the end of the documentary. Everyone at Woodlands loved Joe's visit to our school. He did one of his famous PE with Joe workouts with some of our pupils in the playground and took part in a lesson about parental mental health with our current Year 6 pupils. They did a wonderful job showing empathy for the characters in the story using the Our Time PSHE resources. Thanks [Joe](#) your visit!

WORKOUT WITH JOE

PSHE LESSON

Wellbeing

continued...

Move for your mood!

Following on from the success of the Joe Wicks work, some of our pupils in Year 4 were chosen to feature in a campaign called 'Move for your mood', to encourage children to do exercise as part of increasing wellbeing. Malak, Karam, Cece and Jayson were fantastic and they now feature in a campaign that will be shared with other schools who are interested. These 4 pupils will now be our Wellbeing Champions who will be leading the High Intensity Workouts at the end of playtimes. To find out more visit their website [here](#).

Our Time

Online Safety

Please visit our online safety site for parents.

<https://sites.google.com/woodlands.ealing.sch.uk/e-safety/what-is-online-safety>

Online safety is the safe use of information systems and electronic communications including the internet, mobile devices and game consoles. Learning about staying safe online is very important and at Woodlands Academy we teach our pupils to be aware of the benefits, risks and responsibilities of using technology.

Understanding online safety will help us:

- keep children and young people safe in the digital world we live in.
- keep up to date with effectively using new technologies in a positive, safe and responsible way.
- give children confidence online and be responsible users of the internet
- support pupils to develop safer online behaviours in school and at home.

It is important that we are all aware of the 4Cs to stay safe online:

Last session starts at 3pm

Tues 9 and 16 Aug

Brilliant Birds

Wed 10 and 17 Aug

Nightlife

Thurs 11 and 18 Aug

Precious Plants

Fri 12 and 19 Aug

Brilliant Bugs

Activities aimed for age 4 and up.

Children must be accompanied by an adult.

Activities will take place by the playground.

Regular sessions run from 1-4pm.

Sign up for the next session when you arrive.

Contact email: bostonmanorpark@hounslow.gov.uk

Ideas for parents

DURING SUMMER:

Make reading a regular routine:

- **Have your child read every day**—either independently or with you or another caregiver, such as an older sibling. Also, continue reading aloud to your child, even after they begin reading independently. Reading to your child helps them build listening comprehension skills and can expose your child to new and richer vocabulary.
- **Ask your child questions** about the plot or storyline of the book they're reading, to summarize what's happened to that point and to predict what they think will happen next. These steps promote reading comprehension and make the reading experience more meaningful. Prompt your child to tell you if they come across a word or phrase they don't understand.

Promote math learning:

- **Play games together.** Board games and card games are fun ways to help children strengthen and retain math skills. Games also help your child develop cooperative play skills and problem-solving skills. Many games are suitable for players of all ages, so you can include the whole family.
- **Cook together.** Involving your child in meal preparation is a great way to promote math learning as you measure out ingredients, set baking temperatures, and calculate cooking times.

Turn your child care drop-off and pickup into learning opportunities:

- **Play "I Spy"** with shapes, numbers, letters, words, and other objects on the drive or walk to your child care provider. Find patterns in the designs of buildings and fences you pass by.
- **Talk about your child's favorite** part of the book they read the night before. It's just one way to turn everyday activities into fun brain-building exercises.

Stay active and have fun:

- **Take advantage of the longer days** to play an extra game of tag or to go for a long walk together. Children get less exercise when school is not in session, which may lead to unhealthy weight gain. There are many fun ways to help your child stay physically active all summer long!
- **Seek out educational and interactive** games and apps. Letting your child have some screen time can be beneficial, but try to balance your child's passive viewing screen time (e.g., watching TV, movies, or online videos) with more interactive games and apps that are fun as well as educational.

END OF SUMMER:

Throughout the summer, find ways to celebrate your child's successes (e.g., finishing a book, learning to ride a bicycle, or swimming in the deep end of the pool) and share their accomplishments with your child care provider. As a parent or caregiver, you can help make these months a summer to remember and ensure your child will start the new school year ready for success!
