

Monday 12th September 2022

Dear Parents & Carers,

Re: Jeans for Genes Day

On **Friday 16th September** we will be taking part in Jeans for Genes day where **all children and staff are invited to wear their jeans**. We'd really love to see as many pupils as possible in their jeans, so please encourage your child to come into school on the day wearing their jeans, with their normal school shirt, jumper and shoes. If you are able to, you could also **contribute a small donation of 50p**.

1 in 25 children – on average one child per classroom - has a genetic condition that makes their life very challenging. Jeans for Genes works with schools, companies and individuals all over the UK to help services and support for the children and their families affected by genetic conditions. Together, through fund and awareness raising, we can help make a real difference to their lives.

Jeans for Genes also has a series of powerful films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic conditions, sharing first-hand what life is like with their condition. Please visit jeansforgenes.org/educational-resources to view these films or check out their social media channels with interesting insight, case studies and information (Instagram: [jeans_for_genes](https://www.instagram.com/jeans_for_genes)). If you'd like to find out more about how our support will help, please visit their website at jeansforgenes.org

Yours Sincerely,

Ms Moxom

Assistant Headteacher & Wellbeing Lead
