Dear Parents & Carers,

Re: Year 1 Toy Workshop

As part of their learning about the history of toys, Year 1 will be visited by Freshwater Theatre company on **Monday 16th January**. In this fun workshop your children will become toy experts as they enter the museum and bring toys from the past 100 years to life using their bodies and voices, before inventing their own original toy. Using drama activities such as role-play to explore the different toys, they will visit different rooms in the museum to find out about different types of toys from the past century.

The workshop will be held in school so we do not need to travel. We ask for a contribution of **£5. Please pay online using the School Gateway App.**

Yours sincerely,

Ms Ashley,
Class teacher.
