Together We Achieve

Tuesday 21st February 2023

Dear Parents/Carers,

## Spring Term Parents Evening

Due to the upcoming strike action for NEU members, we are holding our Spring term parents evenings over 2 weeks. They will take place next week on Tuesday 28th February and the following week on Monday 6th March. Based on the results of our previous survey, we will once again be taking a hybrid approach, offering virtual appointments for those who would prefer to have an appointment online (Monday only) and in person appointments in school (both days). We hope to see many of you in school as it is a great opportunity for you to see and celebrate the wonderful work that has been happening in classes.

As Year 5 Parents Evening was held before half term, no appointments will be available for Year 5 pupils on these dates.

To book an appointment, please use our online School Cloud system, which will show available slots for your child's class. This will go live from 4pm today and you should receive an email providing you with a link to book your appointment.

If you have any difficulty in booking, please contact the school office who can book an appointment for you. If these dates are inconvenient for you, please speak to your child's class teacher who can arrange a phone or in person appointment for an alternative date before or after school.

Thank you for your continued support.
