**RE: Maths number Rockstar Day- Wednesday 17th May**

Dear parents/carers,

As part of our commitment to make **maths** exciting in our school, we will be celebrating National Numeracy Day on Wednesday 17th May with Rockstar Day. To make the day memorable, we ask **all pupils in the school from Nursery to Year 6 to dress up as a 'ROCKSTAR' for the day.** Children can get some inspiration from avatars on Times Tables Rockstars. Please be creative with the costumes, there is no need to go and buy a costume as children can wear clothes from home and make props if they wish.

Let's celebrate...  
**National Numeracy Day**  
Wednesday 17th May 2023  
Dress like a Times Tables Rockstar for the day!

Prizes to be won  
TTRS practice  
Number focus activities

**TIMES TABLES ROCKSTARS**

During the day, a bell will be rung at random times; everytime children hear the bell they will chant number facts or timetables for a minute. They will also do a range of activities based with a number focus in class. We will have a special assembly to celebrate Mathematicians of the Day and best costumes.

If you have any questions, please do not hesitate to ask the class teacher.

Yours sincerely,  
Miss Moxom
