Attendance Matters

Class Attendance for the last two weeks

Our school attendance target is 96.5%

- Year 1 and 5 jointly won the attendance trophy for the week of 11/3/24.
- Last week all children in Year 5 were in school every day!
- **Our average school attendance was better last week compared to the week before. However, we are still not reaching our attendance target so we need your help to achieve the target.**

School Holidays

Please be aware of the following advice:

- Children should be supervised by an adult in the local area. Remember it is more likely that there will be older children in the parks in the holidays. Any incidents in local area should be reported to the police. **Please report any incidents close to school directly by emailing: pitshanger@met.police.uk**
- Babies, toddlers and very young children should never be left alone. There are many risks of leaving a child unaccompanied as they don't have the maturity to deal with emergency situations. It is illegal to leave a child under the age of 16 years old alone overnight.
- Children's online activity on devices should be monitored. Children should always be aware of the risks of speaking to people online and should never share anything inappropriate online, including comments and images. Recently in the news, there have been alarming reports of gangs using criminal exploitation to blackmail young people about images that they have shared. For more information on criminal exploitation visit the NSPCC website [here](#).

If you are concerned about the safety or welfare of a child during a school holiday

YOU SHOULD ACT WITHOUT DELAY.

You can contact Ealing Children's Integrated Response Service on 0208 825 8000, or the police on 101 for advice or 999 if a child is in immediate danger.
