

Year 4

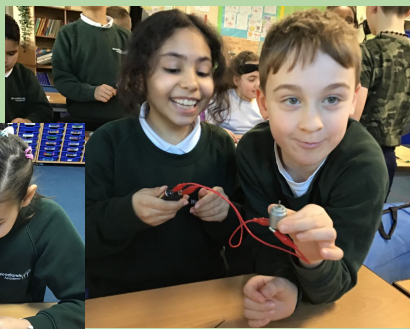

English

We started off the term in January by reading a version of the Beowulf saga, linking in with this term's History topic of the Anglo-Saxons. Sparrows Class had great fun creating their own drama and acting out scenes from the story in.

Science

This term our topics have included electricity and sound. Our learning has included lots of opportunities to get practical!

Class assembly - The Anglo-Saxons

In February, Year 4 gave a fantastic performance of our class assembly all about life in Anglo-Saxon England. The children worked really hard in rehearsals and this paid off on the day with some great performances and fantastic singing.

Year 4 continued...

Maths

In Maths we have been doing a lot of new learning on fractions. As with any new concepts in Maths, it is often best to start off by playing with some different physical representations to help our understanding.

Music

At the end of the term, we took part in a Samba workshop with Year 3. Sparrows Class had great fun playing Brazilian rhythms together.

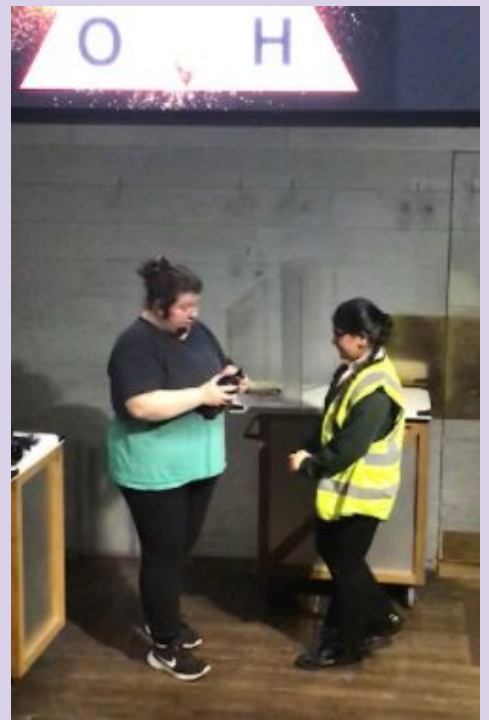

Art

Linking with our Geography topic of rivers, this term we have done some painting of the River Thames in London, taking inspiration from Monet's paintings of the city.

Year 5

Science Trip: Our class took a thrilling train ride to the Science Museum, all about materials. We had a blast with interactive workshop learning how materials shape our world. Heading back, we couldn't stop talking about our awesome day and can't wait for more science adventures!

Year 5's Class Assembly: The children rocked it, showing off what they know about solids, liquids, and gases with confidence. They worked really hard to speak loudly and clearly, and it paid off big time.

Music: Year 5 students are embracing their saxophone lessons with enthusiasm, showing a real passion for music. Their love for the saxophone is evident in their commitment to mastering this captivating instrument.

Year 5 *continued...*

Geography Fieldwork: Our pupils conducted a survey to answer: "Why do people visit Pitshanger High Street?" Prepared with questions, they engaged locals, uncovering insights into the area's charm. Back in class, they analyzed findings, eager to share their discoveries.

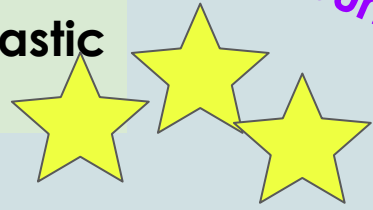

English: In Year 5, students delved into the pressing issue of climate change, drawing inspiration from Nicola Davies' powerful book, "The Promise." Empowered by its message, they crafted persuasive letters and speeches, urging the future generation to take action.

Year 6

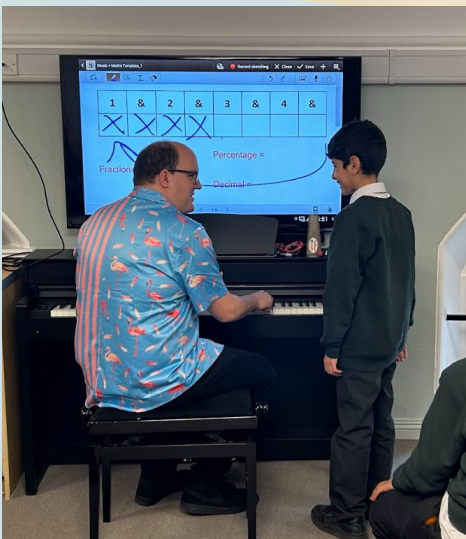

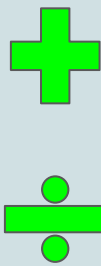

#alwaysthebest

Well done, Year 6 for completing **2 mock SATs weeks** this term. **You have made such fantastic progress!** Let's keep going...

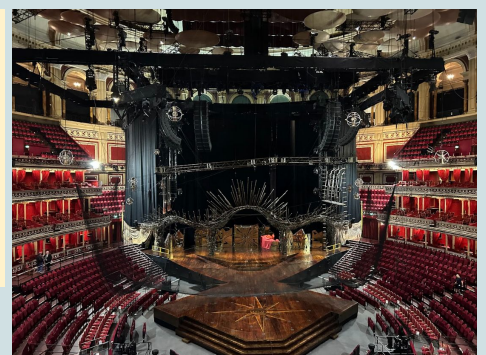

Royal Albert Hall - February

We took part in a fantastic **Maths and Music workshop** which helped to consolidate our knowledge of **fractions, decimals and percentages**. **Shady** composed a piece of music entitled 'Er...'. Thank you Alexandra's mum, Nathan's mum and Shady's mum for accompanying us.

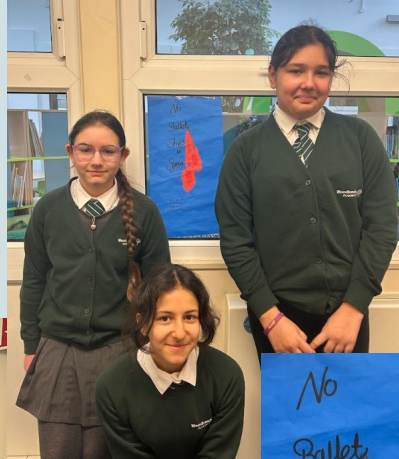

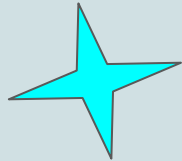

We worked so hard that we were allowed a sneak peak inside the auditorium...

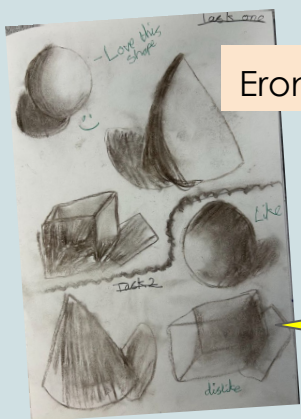

Year 6 continued...

#alwaysourbest

We celebrated our last **World Book Day** together by working collaboratively on doors around the school.

In **Art**, we developed our skills of creating light and shadow in our **charcoal** topic. Our final pieces also incorporated watercolour.

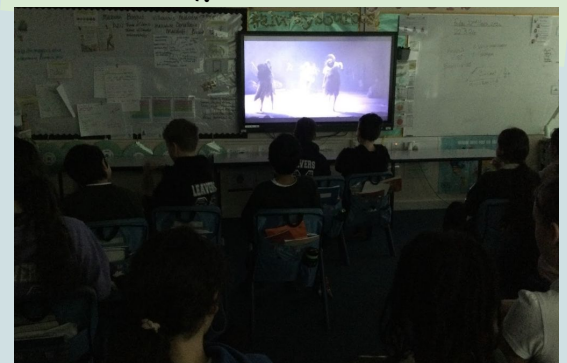

Eron

Lilly

To consolidate our understanding of the text we are reading in English, we watched a live performance from the comfort of our classroom.

Macbeth School's Broadcast 2024

Royal Shakespeare Company

Cece

Tommy

THANK YOU to all the wonderful parents who gave their time to accompany us on our **Geography fieldwork**.

Other News

Class Dojo winners

Well done to our winners for this term. They earned the most dojos in the class. Pupils can earn dojos for lots of things including being good role models, great effort with learning, excellent contribution in class and impeccable manners. If they stay on green all day they are awarded 5 dojos at the end of the day.

CLASS DOJO
Top 2 winners from each class...

Spring 1

Year	Winner
Reception	Aaron Jawad
Year 1	Aelaan Rayan
Year 2	Panisa Matvii
Year 3	Shimaa Millie
Year 4	Danah Tala
Year 5	Dawid Albi
Year 6	Samar Anisa

This graphic displays the top 2 winners from each class for Spring 1. The winners are arranged in a staircase pattern from Reception to Year 6. Reception: Aaron Jawad; Year 1: Aelaan Rayan; Year 2: Panisa Matvii; Year 3: Shimaa Millie; Year 4: Danah Tala; Year 5: Dawid Albi; Year 6: Samar Anisa. The text 'CLASS DOJO Top 2 winners from each class...' is centered, with 'Spring 1' written below it. There are four blue stars at the top and several yellow stars scattered around the winners' names.

Handwriting Awards

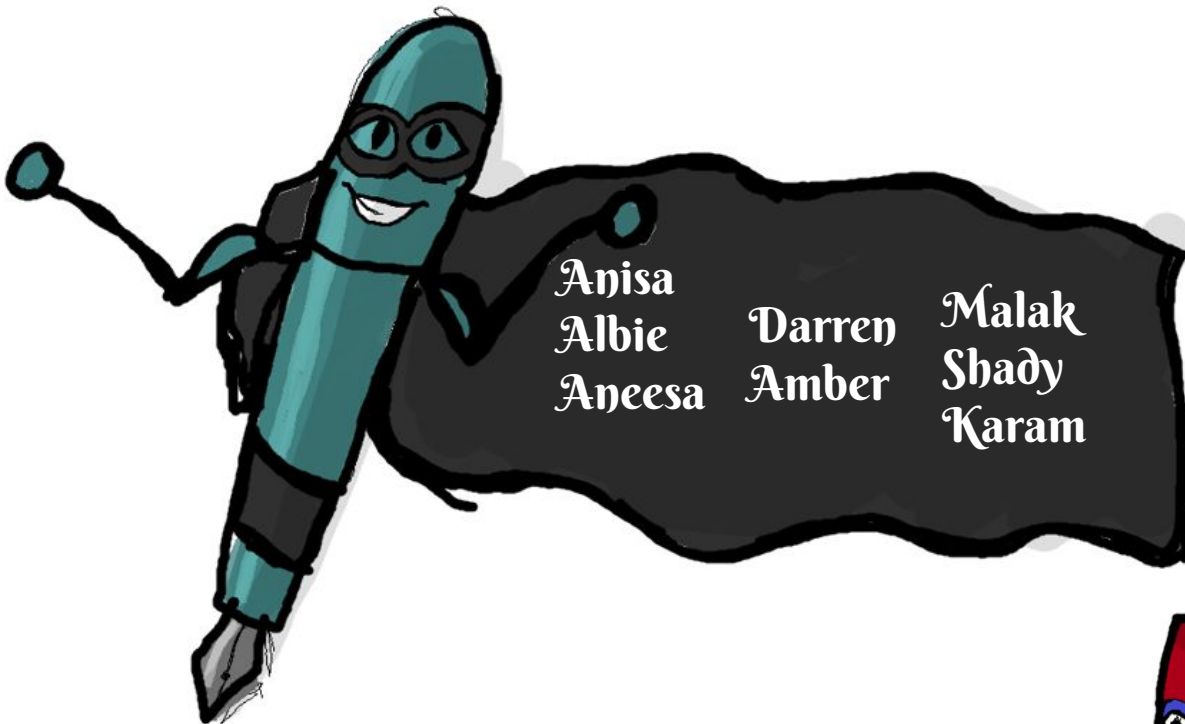

Children are working very hard to become the **Ultimate Superhero** and gain a fountain pen and 20 Class Dojos.

Please check your class website Celebration page for names of children who have been awarded a **Shout Out**. There are too many to list on this page!

Shout Outs recognise those children who are trying hard with their handwriting. They are also awarded 5 dojos. There is no limit to the number of Shout Outs they can receive.

Keep up the good work, Woodlands!

Attendance Matters

Our school target is:
96.5%

Well done to all of the children who achieved our target of 96.5% this half term and were awarded a certificate in Celebration Assembly this week.

What a fantastic term it has been for GOLDEN GAMES!

We introduced many new games this term. It has been great to see children having so much fun and being rewarded for having 100% attendance.

A huge congratulations to these children who are still part of the 100 club as they have been in school EVERY DAY since September. Jasmin (Year 2) Jane (Year 3), Millie (Year 3), Zoey (Year 4), Anaiyah (Year 4), Mikolaj (Year 4), Mihran (Year 6), Jayson (Year 6), Hamza (Year 6), Parmis (Year 6)

Parent News

Thank you parents for joining us and being part of your children's learning in our Science Showcase this term. We know the pupils enjoy showing off their learning to you.

We have a range of focus topics for our experiments.

Year 1- Absorbency of materials

Year 2- Habitats

Year 3- Magnets

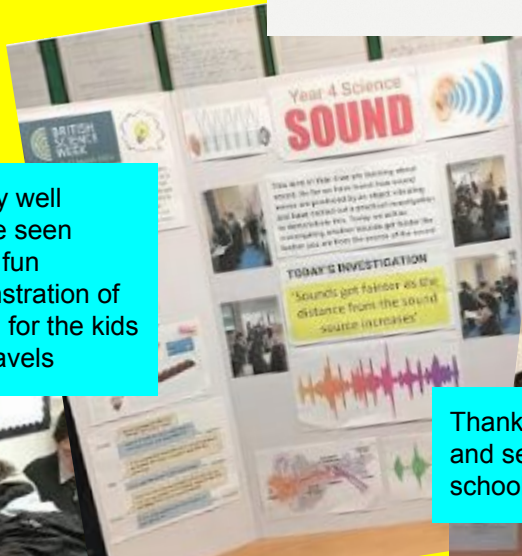

Year 4- Sound

Year 5- Materials

Year 6- Electricity

The science showcase was very well presented and the children were seen enjoying the lesson. Adding the fun element in the lesson by demonstration of the experiment was very helpful for the kids to understand the way sound travels

Thank you very much it was very nice to attend and see how fun and interesting things are at school

Science Showcase

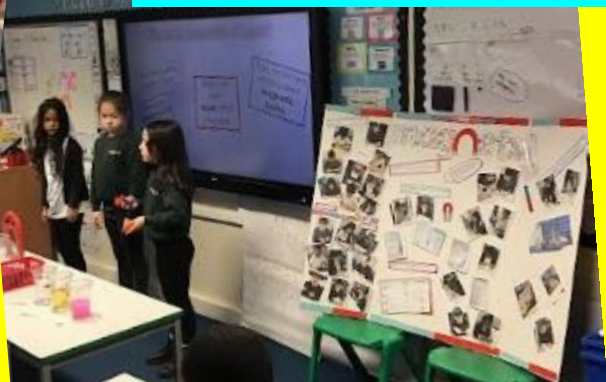

It was lovely to be part of a very interesting science lesson. Thank you for having us

Interesting and informative. An enjoyable activity. Thank you.

It's ever nice for kids to be find out about nature

The showcase was great - it was great to see how confident the children were talking about the magnets

Woodlands Academy Primary School

Good luck to Ms Ash. Wishing you all the best in your new school. Thank you for your 22 years at Woodlands. You have helped so many children and you will be missed by children, staff and parents.

Many of our families will be celebrating important festivals during the break. We hope you all enjoy time with your loved ones during these festivals. Happy Easter, Eid Mubarak and Happy Vaisakhi.

See you back to school on Tuesday 16th April 2024
Stay safe when you are out in public and online.
Remember to always be kind.
