Dear parents/carers,

RE: Spaces Available at Woodlands

As you may be aware, there is currently a falling birth rate in London and fewer children to attend schools each year. Given the current crisis with school funding, this can have a big impact on schools.

At Woodlands, we are very proud of our community and generally only lose children due to families relocating a long way from Ealing. However, despite most movement being limited to during the summer holidays, this creates gaps in classes and leaves us with vacancies after every summer holiday.

This year, we have vacancies in every year group from Reception to Year 6. School tours are available from myself or Mrs Sherborne and can be arranged via the school office. If you know anyone who is looking for a place at a local Primary school, please point them in our direction. They can also complete an application at Ealing admissions by [clicking here](#). If you know of anyone who would like to apply, but needs support with completing the application, we can also help with this.

Thank you for your continued support,

Yours Sincerely,

Ms C Hasker
Headteacher
