Together We Achieve

Wednesday 9th October 2024

Dear parents/carers,

## RE: Show racism the red card day

Woodlands Academy is proud to serve our diverse community and our aim is to be an anti-racist school and ensure the Woodlands Value of Respect is an integral part of our community. To show our solidarity and to enhance our children's understanding of being anti-racist, we would like to support **Wear Red Day on Friday 18th October**.

Our PSHE scheme teaches children about the importance of showing respect to each other and developing and maintaining healthy relationships with peers. Through our whole school assemblies, children are taught to value each other, show kindness and respect that we are all different. We will sensitively explain why we will be wearing red to the children in an age appropriate way during assembly and in class.

The event is not to raise money, it is purely to raise awareness. **Your child may wear a red piece of clothing or all red.** This is a good opportunity to talk with your child about being proud of their heritage and appreciating the fact that we are part of such a multicultural community.

If you wish to, you can purchase wristband, badges on line at the below website:

Thank you for your continued support. If you have any questions about this day, please speak to us.

Yours Sincerely,  
Ms Moxom  
Assistant Headteacher
