Dear Parents/ Carers,

**RE:** Careers Day- KS2- We'd love to hear about your job!

As part of our ongoing work to help children connect their learning with the wider world, we are inviting parents and carers to **come into school and talk about their jobs** on the morning of **Monday 23rd June!**

This is a fantastic opportunity for children to learn about different careers, ask questions, and discover how the subjects they learn in school are used in real life. It also helps challenge stereotypes and open young minds to the many possibilities their future could hold.

You don't need to prepare a presentation, but can if you'd like to – just a short chat with the children about what you do, what a typical day is like, and what you enjoy most about your job. We'll support you with ideas and questions the children can ask.

If you're **interested in taking part, please let us know by completing the Google form [here](#)** by **Friday 23rd May**. More information will then be sent to you after half term, detailing timings and the plan for the day.

Thank you for helping us inspire our pupils to dream big!

Yours Sincerely

Ms Hasker  
Headteacher
