Attendance Matters

Over the past few weeks, our average school attendance has been approximately **91%**, which is still below our target of **96.5%**. There's room for improvement, and we appreciate your continued support in helping us reach our goal.

Looking at the data, **Year 6** and **Year 3** have led the way with the highest attendance over the last two weeks—well done to both classes! They also both won the punctuality award.

Summer Safety Reminder ☀️

As the weather warms up, please remind children about staying safe around water, wearing sun protection, and staying hydrated during hot days.

Online Safety 💻

With more screen time likely over the summer, check that parental controls are up to date and talk to your child about staying safe online. Resources like [ThinkUKnow](#) and [Internet Matters](#) offer great tips for families.

Stranger Awareness 🚶

Encourage children to be cautious when out and about, especially if walking or cycling independently. Remind them not to go anywhere with someone they don't know and to always let you know where they're going.

Open Conversations 💬

Keep talking with your child about their feelings, friendships, and any concerns they might have. Let them know they can always speak to a trusted adult—at school or at home.
