Attendance Matters

Dear Parents/Carers,

We returned back to school last week and it has been wonderful welcoming everyone back. Heading into this final half term of the academic year, we would like to remind you how important regular and punctual attendance is—especially as this will be a very busy and exciting term.

Over the coming weeks, children will be taking part in a wide range of important learning activities, end-of-year assessments, school trips, performances, and transition events. Every day will be full of valuable opportunities that your child won't want to miss.

We kindly ask for your continued support in ensuring your child attends school every day and arrives on time. If you have any questions or need support around attendance, please do get in touch with us.

We will be sharing your child's attendance record in their end of year report which you will receive this half term. We will also be celebrating pupils Yr 1- 6 who reached the school attendance target of 96.5% for the year with a special GOLD DAY event.

Thank you for your support for our International Day last week. It was fantastic to see the children dressed in the colours of their flag or traditional clothing. Thank you for the wonderful food from around the world. We hope you enjoyed the event as much as we did and we look forward to an even bigger celebration next year.

As there are many upcoming events this half term, we have created a key dates document which was shared with you and is available on the next page.

Thank you as always for your support.

When your child attends school regularly they...

Develop new skills

Achieve

Make friends

Build confidence and self esteem

Develop good habits and routines

Child Safety Week

Last week was **Child Safety Week**, a national campaign led by the Child Accident Prevention Trust. This year's theme is "**Safety. Sorted!**", focusing on simple, practical steps we can all take to prevent serious accidents and help children stay safe in everyday situations — whether at home, outside, or online. These may include:

- Road and pedestrian safety
- Water safety
- Online safety and digital responsibility
- Fire safety
- Knowing how and when to ask for help

We encourage you to have conversations at home by using the parent guide below. Together, we can help our children grow in confidence while staying safe.

For useful tips and free resources, please visit the official campaign page:

www.capt.org.uk/child-safety-week

[Click here](#) to download a useful guide for parents on the above topics.

Thank you for supporting us in keeping our school community safe and informed.

Our Year 6 pupils took part in Ealing's Junior Citizenship Scheme this week and learnt many important skills from key members of our emergency services. They learnt about being safe when they are out and about, on public transport on their journey to and from school, at home and what to do in emergencies.e.g basic first aid skills and calling 999.

UPCOMING ONLINE SAFETY EVENT:

We would like to welcome parents/carers to a special workshop/coffee morning on :

Tuesday 24th June 2025 @ 9am- 10am

**Run by our Ealing Mental Health Practitioners Evie and Catherine alongs
Moxom.**

**Focus: Keeping children safe online safety and mental health and becoming a
Smartphone Free School from September. If you are able to attend please
complete this Google form by [clicking here](#) or scanning the QR code.**
