Together We Achieve

Thursday 19th March 2026

Dear Parents/Carers,

RE: Featherstone High School experience day on Tuesday 14th April 2026 for Year 3/4/5.

As part of our ongoing partnership with Featherstone High School within the Grand Union Multi Academy Trust, we have been given an exciting opportunity for our **Year 3, 4 and 5 pupils** to experience High School for a day on **Tuesday 14th April 2026** (the first day pupils return after the April holidays). Featherstone have an Inset day on this day, so the majority of the pupils will not be there and those who are will be in a different area of the school. Specially chosen Year 12 pupils will be supporting the teachers in the sessions throughout the day too.

The transition from primary school to high school can sometimes feel daunting for children. This experience is designed to give pupils an early glimpse into high school life and help them feel more confident about this transition in the future. Your child's class teacher will help children prepare for this day by showing them pictures of the high school areas they will be doing their activities in.

We will be travelling to and from **Featherstone High School** by coach. We will leave school at approximately **9:30am** and return before the end of the school day. It is therefore very important that your child arrives at school on time as the coach will be leaving promptly in order to arrive at Featherstone High School on time. **Please ensure your child comes to school wearing their PE kit and a coat.** Please ensure they bring a water bottle with them on the day to stay hydrated.

Each year group will take part in a range of activities that have been preselected for them. Classes will remain together throughout the day and will be supervised by their usual Woodlands staff and some Featherstone staff.

A free lunch will be provided for all pupils at the venue. Please complete the Google Form using the link provided to give consent for your child to attend and to select their lunch option. Once a meal option has been selected, it cannot be changed later or on the day. **Please complete the [google form by clicking here by Tuesday 24th March](#).** It is very important that this form is completed so we can provide accurate numbers to the catering team at Featherstone High School before the school holidays.

If you have any questions regarding this trip, please speak to either myself or Ms Hasker.

We are very much looking forward to this opportunity, as it is the first time we have organised an event of this scale. I will also be attending on the day and will accompany the Year 5 pupils.

Yours sincerely,

Ms Moxom

Deputy *Headteacher/ DSL*
