Together We Achieve

Monday 23rd March 2026

**RE: ReachOut**

Dear Parents/Carers,

Ealing Community Fund have allocated funding to a programme called ReachOut, who will be completing some work with Woodlands next term. The funding enables us to run a 12 week After School Programme for Year 5 pupils, with a focus on developing socio-emotional skills through a set curriculum. The club will be run by the company with approximately 4 trained mentors leading the programme. Woodlands staff are still available onsite to manage any safeguarding issues which may arise.

There are specific criteria for participation in the programme and therefore the school will be inviting some members of the class to join the club, which will start on **Thursday 16th April**. It will run from **3:15pm - 5:15pm** each week and pupils can bring a small snack with them. If you receive an invitation to join the club, please follow the QR code to register, or speak to me or Ms Moxom about a paper copy of the registration form when you see us at the gate.

The club will be free to all who participate and will involve both classroom and sports based activities.

ReachOut will be coming to Woodlands this week, on **Friday 27th March, to run a taster session** with the whole Year 5 class. They will also be running a **parent workshop at 9:00am** to explain what the club is about and to answer any questions parents may have about the club. If you would like to attend the parent workshop, please make your way to the office after drop off on Friday.

Yours sincerely,

Ms Hasker

Headteacher
