Dear Parents and Carers,

We were delighted to welcome pupils back to school last week and hope you all had a restful and enjoyable Easter break. It has been a busy and exciting start to the term, and we have certainly hit the ground running!

Our staff took part in First Aid INSET training at the start of the term and pupils have already enjoyed a range of enriching experiences. On the first day back, children in Years 3, 4 and 5 visited Featherstone High School, where they had the opportunity to take part in lessons in a high school setting. This was an enjoyable and memorable experience for our pupils and we are grateful to Featherstone High School, who we work in partnership with as part of the Multi Academy Trust. On Wednesday, our School Council visited Westminster Abbey and Buckingham Palace, and finally some pupils in Years 4 and 5 also took part in a sports trip on Friday.

This term, we are particularly excited to introduce a new whole-school approach to writing called '*I Am a Clever Writer*'. Both pupils and staff are enthusiastic about this initiative. This fast-paced approach will expose children to a wider range of high-quality texts each half term. Teachers will model strong examples of writing (known as a WAGOLL – *What A Good One Looks Like*), and pupils will build their skills throughout the week, leading to a final piece of writing during our 'Royal Write' sessions. Attendance is especially important as part of this writing journey, as each lesson builds on the last. We encourage all pupils to attend regularly so they can fully benefit from this approach and improve their writing skills.

There is much to look forward to this term, including class trips, Sports Day and our Summer Festival. Please see the next page for key dates. Kindly note that Sports Day has been rescheduled to Thursday 25th June.

Our extra-curricular clubs also begin this week, offering a wide range of sports and teacher-led activities for pupils to enjoy.

Thank you for your continued support at our recent Spring Festival (rescheduled from December due to adverse weather). We were delighted with the turnout and greatly appreciated your enthusiasm in supporting the raffle and enjoying the game stalls.

When your child attends school regularly and on time they...

Develop new skills

Achieve

Make friends

Build confidence and self esteem

Develop good habits and routines

Useful links for families - shared by Ealing Family Support Network

Benefits- Are you entitled to more money? Use the [benefits checker tool](#) to find out. So far the tool has identified 142 families missing out on £137,989 of unclaimed benefits.

Crisis and Resilience Fund- The [Crisis and Resilience Fund](#) came into effect on 1 April 2026, replacing the Household Support Fund. The Fund will provides personalised, timely and holistic support, tailored to individual's circumstances. The overall aim is to help residents become more resilient and prevent financial crises, not just respond to them. The switch from the Household Support Fund brings other changes too so this is an opportunity to find out more and ask any questions you may have.

The Borough Frontline is open to anyone working with or supporting residents in the borough of Ealing. Please [complete the form](#) to join The Borough Frontline Network and receive invites to this session and future sessions and find out more about The Borough Frontline [by following this link](#).

Occupational Therapy flier for parents for upcoming workshops- [click here](#)

Do you need support with the following areas?---> toileting, dressing/grooming, fussy eating, pre-writing and using my hands, handwriting, keyboarding and using my hands; coordination and using my body; attention and participation (pre school). Sign up to the free workshops.

What to feel more relaxed? EASE will be running free learning to relax sessions every Wednesday starting 22nd April at Hanwell Community Centre.

- Learning to relax
- Relaxing the body and relieving tension
- Relaxing the mind and avoiding stress build up
- Using calming self talk to avoid anxiety

Do you enjoy gardening? Why not join others that do too for weekly sessions- [click here](#) for details.

Helping to keep children safe
in school and at home.

Safeguarding Spotlight

Following our recent **refresher in First Aid training**, we kindly ask all parents and carers to review their child's health needs. If your child has a healthcare plan in school that requires updating, please inform us as soon as possible. Keeping this information current ensures that all first aid-trained staff are able to respond effectively in an emergency.

We also receive regular updates from the **Child Accident Prevention Trust**, providing the latest guidance for parents and carers. In June, we will be supporting Child Safety Awareness Week and will discuss dangers with children in more detail. For now, here is their [Parent Information Pack](#) which outlines topics including- burns, toys, choking hazards, dogs, button batteries, falls, road safety, water safety, and fire safety.

Worried about the safety of a child?

If you ever have **concerns about the safety or wellbeing of a child**, please let us know in school.

Concerns can also be reported directly to ECIRS, which coordinates support from social care, health and police services to ensure children receive help quickly when needed. Call- 020 8825 8000 or if a child is in immediate danger, report it to the police by calling 999.

Operation Encompass- we are working in collaboration with the Metropolitan Police Service as part of their legal commitments under Operation Encompass. Operation Encompass is the notification to schools that a child (under 18) has been exposed to, or involved in, any domestic incident. [see letter](#)

Thank you for your continued support in helping us keep all of our children safe.

Our Safeguarding Team
