## **Re: Safety walking home alone**

Dear Parents and Carers,

We are writing to remind you of the importance of pupil safety at the end of the school day, particularly for our Year 6 children who may be walking home independently.

It is essential that all children who walk home alone go **straight home without delay**. They must not stop at parks, shops, or any other locations on the way unless they are accompanied by a responsible adult. This ensures that they arrive home safely and that their whereabouts are always known.

This reminder follows recent reports of incidents occurring in local parks. While we understand that children value their independence, their safety remains our highest priority. We kindly ask for your support in reinforcing this message at home so that children understand the importance of staying safe and following agreed routines.

If your child's arrangements for going home have changed, please inform the school office as soon as possible.

Thank you for your continued support.

Yours sincerely,

Ms Moxom

Deputy Headteacher and DSL
