Woodlands Academy Primary School

Dear Parents/ Carers,

We have had a busy and exciting start to the Summer 2 term! Our choir enjoyed a wonderful visit to St David's Care Home, where their singing brought joy to residents and proved to be an uplifting experience for both the children and the community. Meanwhile, some of our Year 6 pupils represented the school brilliantly at the athletics event at Perivale Track last week, where their hard work and determination was rewarded with **bronze medals**. We are incredibly proud of all our pupils and the enthusiasm they have shown in these fantastic opportunities. 🏆🎵🏛️

There is still plenty to look forward to this half term! We have a number of exciting whole-school events coming up, including **Sports Day (postponed from Thursday 25th June- new date will be shared as soon as possible)**, our **Transition /Moving Up Day on Friday 26th June**, and our much-anticipated **Summer Festival on Friday 3rd July**. We look forward to seeing the children enjoy these special events and thank families for their continued support.

A reminder that the weather has been particularly unpredictable recently, with warm sunshine followed by cooler and wetter conditions. [A separate letter](#) about hot weather plans will be shared with parents today. Please ensure your child comes to school prepared for all weather by bringing suitable school uniform and wearing sunscreen/ hat on sunny days. We also encourage children to stay hydrated during the day by drinking from their water bottle. Our priority is to keep the children safe and cool during this time.

★ Attendance Matters! ★

Well done to our winning class attendance champions. Keep up the good work.

8/6- Year 1 Starlings 95.8%

15/6- Year 6 Nightingales 97.2%

Thank you for your continued support with attendance. We have seen some classes affected by cases of chickenpox recently. Please keep an eye on your child for any symptoms and follow the guidance provided on the [NHS website](#) if you suspect they may have chickenpox. Your support helps us to keep our school community healthy and minimise the spread of infection.

A reminder that our Gold Days will take place on Monday 13th and Tuesday 14th July for children who have achieved our attendance target of 96.5% for the academic year. Children who qualify will receive an invitation letter during the week beginning 6th July. We are looking forward to celebrating the excellent attendance and commitment shown by so many of our pupils throughout the year.

Safeguarding Spotlight

Recent national research and school reports show that online safety remains one of the biggest safeguarding concerns for primary-aged children. Many incidents now involve gaming, social media, messaging apps, online scams, privacy risks, and the misuse of artificial intelligence (AI).

Top Tips for parents/carers:

- Talk regularly about what your child is doing online.
- Check privacy and parental control settings on apps and games.
- Remind children never to share personal information such as their name, address, school or passwords.
- Be aware that some images, videos and information online may be fake or AI-generated.
- Monitor gaming chat functions and who your child is communicating with.
- Encourage children to tell a trusted adult if anything online worries or upsets them.

Worried about the safety of a child?

If you ever have **concerns about the safety or wellbeing of a child, please let us know in school.** Concerns can also be reported directly to ECIRS, which coordinates support from social care, health and police services to ensure children receive help quickly when needed. Call- 020 8825 8000 or if a child is in immediate danger, report it to the police by calling 999.

Operation Encompass- we are working in collaboration with the Metropolitan Police Service as part of their legal commitments under Operation Encompass. Operation Encompass is the notification to schools that a child (under 18) has been exposed to, or involved in, any domestic incident. [see letter](#)

Thank you for your continued support in helping us keep all of our children safe.
