Dear Parents/Carers,

RE: Year 2 Parents' Evening

Due to Ms Hersi's imminent maternity leave, we plan to hold the Year 2 parents' evening earlier than usual. This is because the new teacher will only have minimal time to get to know your children before the school parents' evening, while Ms Hersi has had a few weeks with them and is more aware of the progress they are making at this stage. The new teacher will deliver the parents' evening in February with the rest of the school.

Ms Hersi will be holding a short parents' evening on **Wednesday 7th October** to update you on your child's progress. Due to the early stage in the year, she will be offering **5 minute appointments** and you will have the opportunity to look through some of your child's books as usual.

Appointments can be booked through School Cloud as usual. If you have any problems accessing School Cloud, the school office is able to book appointments for you. You can access School Cloud [here](#) and should also receive an email prompting you to book an appointment.

As always, thank you for your continued support,

Ms Hasker
